Five Move-Out Options

1st Option

Valet Service: This option is for exhibitors who have made prior arrangements to have their items moved to their vehicle by Stronco. This service includes the assistance of one (1) Stronco crew to assist in loading your vehicle. If you choose this option, please follow these instructions (note, this service is for personal vehicles only and not trailers or rental trucks):

1. Before the show closes on Sunday at 5:00pm, you will receive a valet pass from Show staff.
2. **Valet service begins at 6:00pm.**
3. When your booth is packed and ready to go, please call the number on your Valet pass then take your Valet pass and your vehicle to the loading door listed on your pass. Present your pass to staff to receive further instructions.

2nd Option

Shipping Company Pick-Up: This option is for exhibitors who have made prior arrangements to have their items picked up by a shipping company. If you choose this option, please follow these instructions:

1. At 5:00pm pack up your booth.
2. Please ensure your items remain **inside** your booth for pick-up - do not leave anything in the middle of the aisles. All of your items must be clearly labelled with your company name, address and the company you are shipping with.
3. Please clearly label on all 4 sides with appropriate packing labels.
4. **Your shipper must have checked in with the East Gate marshalling staff by 8:00pm on Sunday** or your freight will be considered forced (your booth will be shipped to the Stronco Warehouse at your expense). If your shipper can't pick up on Sunday night please make arrangements with the official carrier, Stronco Logistics, by visiting the Stronco order desk after 4:00pm Sunday.

3rd Option

Dolly to Booth - Hall A or East Gated Area: If you choose this option, follow these instructions:

1. At 5:00pm you can pick up your packing materials if you have stored them in the Empty Box/Crate Storage Area in Hall A.
2. Pack up your booth, it must be fully packed before the next step.
3. **To make the process of issuing Marshalling Yard Access Passes as seamless and as fast as possible, One Of A Kind Staff will be monitoring pre-determined aisle routes and will check in with each booth in order on their route beginning at 5:15pm. They will issue a Marshalling Yard Access Pass to those booths that are packed and ready to go. It's important that exhibitors remain in their booth and wait for the staff to pass by their booth on their route.** Since staff won't be criss-crossing aisles the process will help maximize the overall efficiency of distributing the Access Passes!
4. Once you have your Marshalling Yard Access Pass, take it and your vehicle into the Marshalling Yard where you'll receive further instructions and be directed to the next available loading area.
5. Dollies will only be available to those exhibitors who have gone through the Marshalling Yard **and** have their vehicles in the loading area. **You will receive a Dolly Voucher upon arrival at the loading area.** Bring the voucher to the Dolly desk inside Hall A or inside Door 20 next to the East Gated Area to claim your dolly.

This is the slowest option available to exhibitors. If you choose this option, please follow these instructions:

4. Next, move your car into the Marshalling Yard and show your Access Pass to the staff there to receive further instructions. You will then be sent to the East Gate and onto the show floor once there is a clear path to your booth. This will not be before 8:30pm.
5. You will be met at roll-up Door #20 and escorted to your booth. When you are ready to leave, ask for assistance from the One Of A Kind Show staff in navigating out of the building. All precautions must be taken to avoid any accidents.
6. Reminder: ALL vehicles must be fully packed and removed from the building by 11:59pm, Sunday. Please bring appropriate move-out support to ensure this occurs.
